GSoC '20 | Placement Cell Student Representative, IIT Ropar
New Delhi

Summary

Hi, I am a junior year undergraduate student at IIT Ropar with a major in electrical and a minor in computer science and engineering. I have interests in the field of software development and have been working in the field of web and mobile application development.

Actively participated and represented my college in numerous events like Inter IIT Tech Meet, Techfest, HUII ignite etc. I am currently working as a Google summer of code intern at creative commons.

Still exploring various fields, learning new skills, and open to all opportunities.
