GSoC'20 @Elastic | Expert at Codeforces

Chandigarh

Summary

I am an open-source enthusiast, passionate about algorithms, competitive programming and software development. Besides, I have also begun to explore the world of Frontend development and Backend development (ReactJs, GraphQl, and NodeJs mainly). I enjoy problem-solving and creating new stuff using 3Js.

———

Experience

Google Summer of Code

GSoC Student Developer

February 2020 - Present (7 months)

Currently within the top 10 contributors

Contributed to Eui Repository added new features, Upgraded some dependencies (TypeScript), Fixes backlog issues,

Performed accessibility checks (using AXE), Developed several tests for components (jest, enzyme, react-test-renderer)

Excalidraw

Open source Collaborator

January 2020 - February 2020 (2 months)

Excalidraw is a whiteboard tool that lets you easily sketch diagrams with a hand-drawn feel.

FOSSASIA

Open Source Developer

November 2019 - February 2020 (4 months)

Currently within top 10 contributors
